

Fraunhofer Institute for Machine Tools and Forming Technology IWU

Board of Directors

Prof. W.G. Drossel (executive)
Prof. R. Mauermann
Prof. M. Putz

Scientific Field
Mechatronics and Lightweight Structures
Prof. W.-G. Drossel

Mechatronics

Functional Integration / Lightweight Design

Textile Lightweight Design

Joining

Cyber-Physical Production Systems

Scientific Field
Machine Tools, Production Systems and Machining
Prof. M. Putz

Production Systems and Machines

Smart Factory – Digitalization and Automation

Machining and Removal

Scientific Field
Forming Technology
Prof. R. Mauermann

Sheet Metal Forming

Bulk Metal Forming

Business Development and Communication

Business Development

Public Relations

Services

Technical Service

Administration
